

Open to new ideas. Since 1365. As a research university with high international visibility and a wide range of degree programmes, the University of Vienna is committed to basic research open to application and research-led teaching, as well as to career development of young researchers and to the dialogue with economy and society. That way, the University of Vienna contributes to the education of future generations and to the society's ability to innovate.

The appointment of particularly qualified researchers to university professors is an important strategy of the University of Vienna. Become part of this vibrant and future-oriented organisation.

At the Faculty of Earth Sciences, Geography and Astronomy of the University of Vienna the position of a

**Visiting Professor
of
Meteorology**

(full time, limited to a period of 2 years) is to be filled as soon as possible.

Applicants should be internationally recognized in meteorological research and teaching. In addition to a meaningful research concept, we expect a substantial contribution to teaching and supervision of students in the Bachelor and Master programs.

The University of Vienna is planning to advertise two permanent positions for University Professors in the field of Meteorology in the near future.

Main research field: Meteorology / 1052
Special research field: Dynamic Meteorology / 105206

Successful candidates should have the following qualifications:

- Doctoral degree/PhD and post-doctoral experience at a university or other research institution
- Habilitation (venia docendi) in a subject field relevant to this position or an internationally accepted equivalent qualification is desirable
- Outstanding achievements in research, excellent publication record, international reputation
- Experience in designing, procuring and managing large research projects, as well as the willingness and ability to lead research groups
- Enthusiasm for excellent teaching, teaching experience at universities as well as the ability and willingness to teach students in all phases of their studies (bachelor's, master's, or doctoral level), to supervise academic theses and to promoting young academic colleagues

We offer:

- a salary (classification according to the [Collective Bargaining Agreement for University Staff](#), allocation to job group A1; section 99 (1) of the Universities Act 2002); in addition, relevant work experience determines the grade according to the Agreement and the salary level
- in addition to the statutory social insurance, the University of Vienna offers a pension fund to its employees
- a dynamic research location with well-established research funding provisions
- attractive working conditions in a city with a high quality of life
- a wide range of support services offered by central service institutions

The University of Vienna pursues a non-discriminatory employment policy and values equal opportunities, as well as diversity (<http://diversity.univie.ac.at/en>). The University lays special emphasis on increasing the number of women in senior and in academic positions. Given equal qualifications, preference will be given to female applicants.

Application documents:

- **Application letter**, including a brief description of:
 - current research interests and research plans for the immediate future
 - current and planned foci in academic teaching and the supervision of young researchers
- **Academic curriculum vitae**, including information about “esteem factors” (e.g. experiences as a publisher, functions in research societies or programme committees)
- **List of publications**, including:
 - specification of five key publications which the applicant considers particularly relevant to the advertised professorship
 - provision of an Internet link for download or electronic submission of PDF versions of these five publications
 - information about citations and impact factors, depending on the common practice in the relevant research area
- **List of talks given**, including information about invited keynote lectures at international conferences
- **Third-party funds** list of acquired third-party funds (subject, duration, origin, volume) as well as, if applicable, of inventions/patents
- **Overview of previous academic teaching and supervised theses, especially doctoral theses**
- **Teaching evaluations** (if available)
- **Copies of documents and certificates**

Please send your application in German or English and in electronic form to the Job Center of the University of Vienna (jobcenter@univie.ac.at).

Reference no.: 7450

The application deadline is **26 April 2017**.
